1989 yılında Murat Caymaz tarafından İstanbul'da kurulan firmamız, hırdavat malzemesi üretiminde sektörün önde gelen isimlerinden biri haline gelmiştir. İlk olarak 200 metre-karelik bir alanda faaliyetlerine başlayan firmamız, o dönemde sınırlı bir ürün yelpazesi ile müşterilerine hizmet sunuyordu. Ancak, kaliteye ve müşteri memnuniyetine verdiğimiz önem sayesinde kısa sürede büyüme kaydettik ve üretim kapasitemizi artırdık.

Bugün, firmamız 10.000 metrekarelik modern üretim tesisinde 255 çeşit ürün üretmektedir. Ürün yelpazemiz, inşaat ve sanayi sektörlerinin ihtiyaç duyduğu pek çok hırdavat malzemesini kapsamaktadır. Gelişen teknoloji ve pazar ihtiyaçlarına paralel olarak, üretim süreçlerimizi sürekli olarak yenilemekte ve geliştirmekteyiz. Bu sayede, müşterilerimize her zaman en kaliteli ve güvenilir ürünleri sunmayı hedefliyoruz. Yenilikçi yaklaşımımız ve uzman kadromuzla, sektördeki yerimizi daha da sağlamlaştırıyoruz.

Firmamız, müşteri memnuniyetini en üst düzeyde tutmak amacıyla sevkiyat kalitesine büyük önem vermektedir. Ürünlerimizin güvenli ve zamanında teslim edilmesi için titizlikle çalışıyoruz. Gelişmiş lojistik ağıımız ve profesyonel ekibimiz sayesinde, sevkiyat sürecinde oluşabilecek her türlü aksaklığı minimize ediyor ve ürünlerimizi en iyi koşullarda müşterilerimize ulaştırıyoruz. Sürekli yenilenen teknolojik altyapımız ve kalite kontrol süreçlerimiz ile sevkiyat kalitemizi her geçen gün daha da artırarak, müşteri beklentilerini aşmayı hedefliyoruz. Müşterilerimizin güveni ve memnuniyeti, firmamızın en büyük motivasyon kaynağıdır.

Firmamız, müşteri memnuniyetini ve etkin iletişimi iş yapış biçimimizin temel taşı olarak görmektedir. Müşterilerimizin ihtiyaçlarını ve beklentilerini anlamak için sürekli geri bildirim topluyor, bu geri bildirimleri iş süreçlerimizi iyileştirmek için kullanıyoruz. Şeffaf ve açık bir iletişim stratejisi izleyerek, müşterilerimize her zaman ulaşılabilir olmayı ve sorunlarını en kısa sürede çözmeyi hedefliyoruz. Eğitimli ve deneyimli ekibimizle, her müşteriye kişisel ve özelleştirilmiş hizmet sunarak, uzun vadeli ve güvene dayalı ilişkiler kuruyoruz. Müşteri memnuniyetinin sürdürülebilir başarının anahtarı olduğuna inanıyor ve bu doğrultuda sürekli olarak yenilikçi çözümler geliştiriyoruz.
